## Viewing and updating your profile

If you wish to view your profile information, click on your name at the top of the screen and select **Profile**.

This will display your key profile information, most of this is populated from ESR, so can't be amended but you can update your additional phone number and job title.

If you do make any changes please click on the **'update'** button.

If this is your first time viewing your profile, you will be asked to confirm your email address is correct by clicking the **'Confirm email'** button; this will then generate an email to be sent to you.

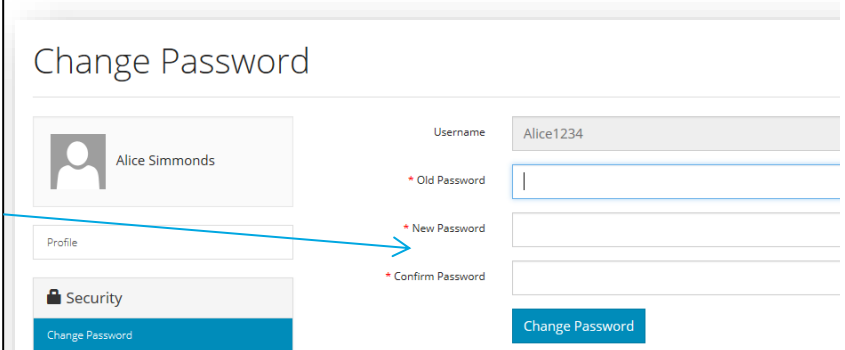

**Security;** if you wish to change your password, you can do so by clicking on 'change password'

This will then ask you to add your old password, your new password and repeat the new password to ensure it's correct.

The new password must contain eight characters  
Including one uppercase letter, one special character (\*!&%\$£) and one number.

Then click **'Change password'** to confirm the change.

## Using the Knowledge base

If you have a general question about your pay, rather than calling the helpdesk in the first instance you can now use the knowledge base articles to find the answer.

To access the knowledge base, click on **'Knowledge base'** at the top of your screen.

Underneath the 'What can we help you with? Box, type your query or a key word i.e. *Sickness* into the search box (*you do not need to add a question mark*).

The system will normally automatically search for matching results but if not click on the magnifying glass to start the search.

The screenshot shows the 'Knowledge Base - Home' page. At the top, there is a search box with the text 'What can we help you with?'. Below the search box, the text 'Sickness pay' has been entered. A magnifying glass icon is visible to the right of the search box. Below the search box, there are three search results listed. The first result is 'What is SSP?' with a blue header. The second result is 'Sickness' with a blue header. The third result is 'Can you tell me what my sickness entitlement is?' with a blue header. A callout box points to the search results, stating: 'You will see a selection of articles displayed under the search box, which contain the key words you entered. To view any of these articles and find the answer to your questions, click on the article header (in blue) and this will display the full article for you to read.' Another callout box points to a 'Print' icon in the top right corner of the article preview, stating: 'You will also see you have the option to print the article by clicking on the little printer icon in the top right corner. (Please note; printing is only available if the PC or tablet you are using is connected to a printer)'. The article preview for 'What is SSP?' shows the text: 'SSP stands for Statutory Sick Pay. When you are on sick leave your pay is normally made up of two parts: Occupational Sick Pay and Statutory Sick Pay. Statutory Sick Pay (SSP) is a guaranteed minimum wage that you are entitled to receive by law when you are sick (provided you satisfy certain conditions) and this is paid by the Trust. OSP is under agenda for change based on basic pay only and SSP will be included in payment whilst on full pay entitlement. If you go to half pay, then SSP will be paid in addition to your half pay. For more information please see: <https://www.gov.uk/statutory-sick-pay>'. The article also shows 'Views: 32' and a 'Print' icon.

If you do not find the answer you are looking for, you can now log your own case via **'My Support'** on the portal or if need be you can still call the Employee Service desk on 0303 123 1144

You need to scroll down on the page and you should see your open cases (if nothing is displayed, you have not yet logged any cases with NHS SBS):

In the search box and clicking on the magnifying glass.

**Add Comment;** If you wish to add an additional comment or info to this open case, you can do so by clicking on the 'Add Comment' blue button.

*If this additional information is high priority, we would suggest calling the employee helpdesk and quoting the case reference.*

## Using 'My Support' to add comments and view comments

If you click on 'Add Comment' at the bottom of an open case, you will get a pop up, asking you to enter your information:

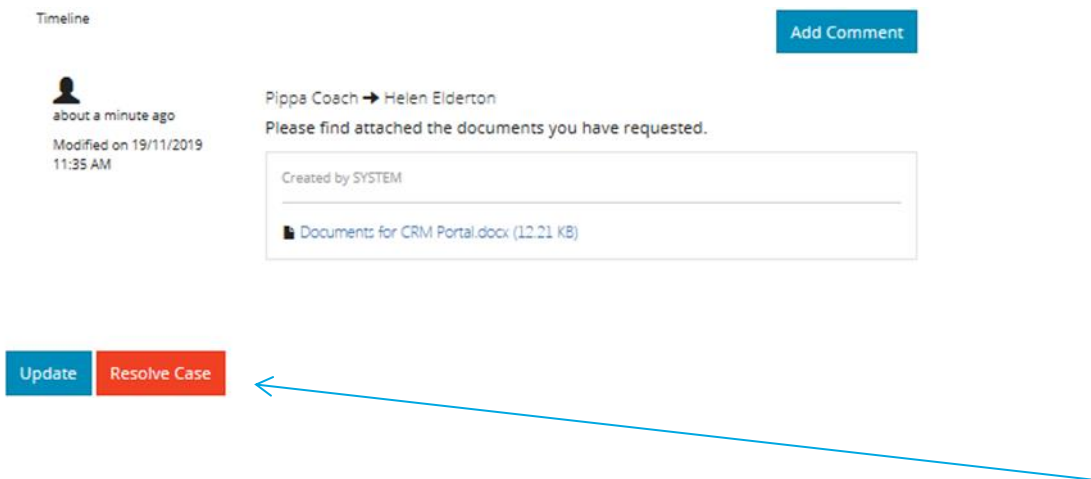

Any comments added by you will be displayed at the bottom of the case...

To update the case and save the new comment click on the blue 'Update' button and this will send a notification to NHS SBS that you have amended a case.

*Please note the NHS SBS team can also add comments to the case, for you to view here on the portal and you will receive and email notification to the email address you use to log in with.*

## How to close a case on the portal

If you no longer need the information from NHS SBS or have managed to solve the query yourself, you are able to resolve and soft close the case directly on the portal and therefore stop the NHS SBS team from working on it.

To resolve and soft close a case, add a comment and update and then click on the red **'Resolve case'** button.
