OJEU Compliant Complete Robotic Surgery

When does the framework start?

01/11/2018 to 01/04/2023

Overview

Robotic surgical systems consist of robotic arms with laparoscopic instruments, where doctor sits a few feet away from operating table at a computer console viewing 3D visual of operating region. One unit refers to one robotic surgical system. Market predictions for sales growth of Robotic assistance for Intuitive is a 20% increase as more systems are employed across a wider range of clinical specialities. This project will help all our members to minimize the lead time to resource the equipment. At the moment the market is demanding a new generation of robotic surgeries. This Framework will include the following items: Robotic Surgery, Related services and consumables and route to market to managed to service.

Benefits of using the framework

OJEU AVOIDANCE

A compliant procurement exercise has been already undertaken to ensure that the framework suppliers meet all key standards and requirements, saving valuable time and resources.

DIRECT AWARD

Ability to directly award a contract to approved suppliers on the framework providing a timely and compliant route to market to meet your requirements.

MINI COMPETITION

Opportunity to run a mini competition to meet the bespoke requirements

FULLY MANAGED SERVICE

Option to award a contract to a single supplier to perform all services offered within the scope of the Framework Agreement

AGILE & INNOVATIVE FRAMEWORK

Suppliers will be able to bring forward new technology throughout the life of the agreement.

QUALITY OF SERVICE PROVISION

The experience and capability of suppliers has been robustly tested via the process to establish the framework agreement giving full confidence in the approved suppliers

GEOGRAPHIC COVERAGE

Suppliers are able to supply all regions of the UK

EXPERTISE

This framework allows Contracting Authorities to benefit from the expertise of the awarded suppliers in selecting the most economically advantageous solutions to meet their clinical and business requirements.

Who can take advantage?

Head of Procurement, Directors of Finance, CCG Clinical Leaders, Care Trust CEs, Foundation Trust CEs, Medical Directors, Directors of PH, Directors of Nursing, NHS England Regional Directors, NHS England Directors of Commissioning Operations, Directors of Finance, GPs, NHS Trust CEs
