

Cycle Parking and Infrastructure (CPMI)

Lot 8 – Car Parking and Infrastructure - Reference: SBS/18/JC/ZDC/9317

Potential saving opportunities - 5%

When does the framework start?

30th November 2018 – 29th November 2022

Who can take advantage?

NHS and Public Sector organisations within the UK

What does it cover?

The first truly comprehensive framework in this area; the range of options provided will help the NHS and wider public sector meet whatever needs that they have in this area. All of the major suppliers across the market are represented as well as niche specialists, allowing a great degree of choice and the possibility to procure their services in a fully OJEU compliant manner, leading to savings in both time and cost.

Lot 9 – Cycle Parking and Infrastructure

This Lot includes the delivery, supply, installation, management and maintenance of cycle parking goods and services, from bike racks to cycling hubs and everything in between. This lot includes, but is not limited to:

- Full cycle hubs
- Cycling stands
- Cycling racks
- Cycling clamps
- Scooter and motorbike racks
- RFID Tags
- Bike boxes and lockers
- Canopies and shelters
- Fixed cycle-pumps
- Cycle repair stations
- Cycle counters
- Bike hire
- e-bike charging points
- A fully managed service

DIRECT AWARD

Ability to directly award a contract to approved suppliers on the framework providing a timely and compliant route to market to meet your requirements.

MINI COMPETITION

Opportunity to run a mini competition to meet the bespoke requirements of each organisation; as well as helping to drive further competitive pricing.

THE ROAD TO ZERO

Supporting government’s green agenda by providing EV charging infrastructure and cycle parking infrastructure

TOTAL CAR PARK SOLUTIONS

Comprehensive offering to deliver either a single or bundled service for a wide range of products and services: from full car park management to ANPR, pay on foot, pay and display, barrier control and occupancy monitoring

DOH HTM 07-03

The framework developed to support many of the aspects within the NHS car-parking management guidance in terms of sustainable transport, car-park management and car-park equipment.

FLEXIBLE CONTRACT TERMS

The ability to utilise a number of contracts, enabling users to mix and match their requirements and tailor individual requirements.
