

IT Consultancy Services

(Lot 5 - Consult 18: Multidisciplinary Consultancy Services)

Potential saving opportunities 5-10%

What does it cover?

The Framework offers a fully OJEU compliant route to market for the provision of IT consultancy services; covering a wide range of services. The Framework encompasses both SMEs and also national providers and gives the option of procuring single or multiple services. Pricing options include day rates and also the possibility to agree innovative pricing models.

Service offering

Services offered under the framework include but are not limited to:

- Forecasting, planning and strategy
- Programme & Project management
- Business case development
- HR and organisational strategy
- Operational modelling
- Commissioning Services
- Procurement and Supply
- Risk and opportunity management
- Capability development
- Transformation, change and assurance
- Policy advice and review
- Economics, analysis and research.
- Transformation, change and assurance
- Policy advice and review
- Economics, analysis and research.

When does the framework start?

3rd July 2018- 2nd July 2022

Who can take advantage?

NHS and Public Sector organisations* within the UK

Benefits of using the framework

DIRECT AWARD

Ability to directly award a contract to approved suppliers on the framework providing a timely and compliant route to market to meet your requirements.

MINI COMPETITION

Opportunity to run a mini competition to meet the bespoke requirements of each organisation; as well as helping to drive further competitive pricing.

PRICE AND SAVINGS

A range of pricing options and discount structures, settlements and volume spend rebates. The option to agree innovative pricing models is also available.

CHOICE OF SUPPLIERS

A range of suppliers to suit all requirements: from regional SME specialists, to national providers.

FLEXIBLE CONTRACT TERMS

The ability to utilise a number of contracts, enabling users to mix and match their requirements and tailor individual requirements.
