

# Audio Visual Solutions and Integrated Operating Theatres

Reference: SBS/18/CR/WCN/9343

## What does it cover?

- Integrated Operating Theatre products and solutions
- Audio visual products and solutions
- Video conferencing
- Patient entertainment solutions
- Digital signage
- Check-In kiosk solutions

## Who can take advantage?

All NHS SBS Approved Organisations

## When does the framework start?

1<sup>st</sup> March 2019 – 28<sup>th</sup> February 2023

## Benefits of using the framework

### OJEU AVOIDANCE

A compliant procurement exercise has been already undertaken to ensure that the framework suppliers meet all key standards and requirements, saving valuable time and resources.

### DIRECT AWARD

Ability to directly award a contract to approved suppliers on the framework providing a timely and compliant route to market to meet your requirements, without having to undertake an OJEU process.

### MINI COMPETITION

Opportunity to run a mini competition to meet the bespoke requirements of each organisation as well as helping to drive further competitive pricing.

### QUALITY OF SERVICE PROVISION

The experience and capability of suppliers has been robustly tested via the process to establish the framework agreement giving full confidence in the approved suppliers

### CHOICE OF SUPPLIERS

Delivers a robust, OJEU compliant framework with a broad range of suppliers including multi-national, SMEs and turnkey providers.

### FLEXIBILITY TO MEET REQUIREMENTS

Option to directly award to approved suppliers on the framework or to run a mini competition
