

Audio Visual Solutions and Integrated Operating Theatres

Reference: SBS/18/CR/WCN/9343

What does it cover?

- Integrated Operating Theatre products and solutions
- Audio visual products and solutions
- Video conferencing
- Patient entertainment solutions
- Digital signage
- Check-In kiosk solutions

Who can take advantage?

All NHS SBS Approved Organisations

When does the framework start?

1st March 2019 – 28th August 2023

Benefits of using the framework

OJEU AVOIDANCE

A compliant procurement exercise has been already undertaken to ensure that the framework suppliers meet all key standards and requirements, saving valuable time and resources.

DIRECT AWARD

Ability to directly award a contract to approved suppliers on the framework providing a timely and compliant route to market to meet your requirements, without having to undertake an OJEU process.

MINI COMPETITION

Opportunity to run a mini competition to meet the bespoke requirements of each organisation as well as helping to drive further competitive pricing.

QUALITY OF SERVICE PROVISION

The experience and capability of suppliers has been robustly tested via the process to establish the framework agreement giving full confidence in the approved suppliers

CHOICE OF SUPPLIERS

Delivers a robust, OJEU compliant framework with a broad range of suppliers including multi-national, SMEs and turnkey providers.

FLEXIBILITY TO MEET REQUIREMENTS

Option to directly award to approved suppliers on the framework or to run a mini competition
