

Clinical Managed Services including Managed Maintenance Services and associated Consultancy Services

SBS/18/OA/FBY/9308

When does the framework start?

1st 2019 – 31st December 2022 with a further option to extend for another 12 months

Who can take advantage?

NHS and Public Sector organisations*

Overview

The framework has three lots which provide comprehensive coverage within the area of managed service provision. Spend areas include but are not limited to Diagnostics, Diagnostic Imaging, Renal, Catheter Laboratories, Decontamination and Maintenance services. The framework provides options for OEM or Vendor Neutral solutions and supporting consultancy services . Access to a category expert is available to assist when considering a managed service.

- Three lots
- OEM and vendor neutral
- Consultancy services available
- Flexible and easy to use
- Expert advice
- Wide choice of suppliers

BENEFITS OF USING THE FRAMEWORK

OJEU AVOIDANCE

A compliant procurement exercise has been undertaken to ensure that the framework suppliers meet key standards and requirements, avoiding the need for a costly, complex procurement exercise.

DIRECT AWARD

Ability to directly award a contract to approved suppliers on the framework providing a timely and compliant route to market.

MINI COMPETITION

Opportunity to run a mini competition to meet bespoke requirements and help drive competitive outcomes.

END TO END SOLUTION

RANGE OF SPEND AREAS & SUPPLIERS, CONSULTANCY & CALL OFF CONTRACT

DEDICATED PROJECT SUPPORT

Expert resource available on a fee paying basis to assist with specification development, stakeholder engagement and conducting mini competitions.

CHOICE OF SUPPLIERS

A wide range of suppliers to reflect multiple spend areas.

GEOGRAPHIC COVERAGE

Full geographic coverage in the United Kingdom.

FLEXIBLE CONTRACT TERMS

Terms and condition of contract for the framework agreement and call off terms and conditions written specifically for this framework by Mills and Reeve.
