Using the Knowledge base

If you have a general question about your pay or process, rather than calling the helpdesk in the first instance you can now use the knowledge base articles to find the answer.

To access the knowledge base, click on **'Knowledge base'** at the top of your screen.

Underneath the 'What can we help you with? Box, type your query or a key word i.e. *Sickness* into the search box (*you do not need to add a question mark*).

The system will normally automatically search for matching results but if not click on the magnifying glass to start the search.

The screenshot shows the 'Knowledge Base - Home' page. At the top, there is a search box with the text 'What can we help you with?' and a magnifying glass icon. Below the search box, the text 'Sickness pay' is entered. A list of search results is displayed, with the first result titled 'What is SSP?' in blue. A blue arrow points from a text box to this result. Below the search results, there is a detailed view of the 'What is SSP?' article. A blue arrow points from another text box to a 'Print' icon in the top right corner of this article view.

Knowledge Base - Home

The Knowledge Base contains numerous support references, created by our support professional customers. It is constantly updated, expanded, and refined to ensure that you have access to the most up-to-date information.

Sickness pay

What is SSP?
 ... SSP stands for Statutory Sick Pay. When you are on sick leave your pay is normally made up of two parts: Occupational Sick Pay and Statutory Sick Pay. Statutory Sick Pay (SSP) is a guaranteed minimum wage that you are entitled to receive by law when you are sick (provided you satisfy certain conditions) and this is paid by the Trust. OSP is under agenda for change based on basic pay only and SSP will be included in payment whilst on full pay entitlement. If you go to half pay, then SSP will be paid in addition to your half pay. For more information please see: <https://www.gov.uk/statutory-sick-pay>
